

10

Things All Voters Need To Know Before Election Day

TAKE THESE STEPS SO YOU ARE **PREPARED TO VOTE** IN YOUR STATE.

- 1 Know Your Voter Registration Deadline!
- 2 Verify that you're registered before the close of the voter registration deadline even if you think that you know the answer!
- 3 Determine if you need to re register or update your address if you have moved since you last voted.
- 4 If you have to vote absentee start the process early and know the deadline!
- 5 Make sure you know the identification rules in your state!
- 6 Know your polling place before Election Day! Check your voter registration card, call your local election office, or call 1 866-MYVOTE1
- 7 If your name is not on the poll list ask the workers to tell you your correct polling place before you cast any ballot!
- 8 Know the paper ballots in your state. Election officials treat different ballots differently!
- 9 Many states offer emergency ballots if machines are not operable! Don't Leave!
- 10 If you have a legal problem on Election Day call 1 866 OUR VOTE.
